

Ten minutes before:

“This is <name> for the Walk-For-Water Special Event Net. For those monitoring this repeater, we’ll be starting the net in about ten minutes. All event operators, please move to your assigned positions. This is <call sign> standing by.”

Five minutes before:

“This is <name> for the Walk-For-Water Special Event Net. For those monitoring this repeater, we’ll be starting the net in about five minutes. All event operators stand by for roll call. This is <call sign> standing by.”

Net Start time:

“Good evening, This is <call sign> starting the Walk-For-Water Special Event Net. I will be serving as Net Control for tonight’s event. I want to thank the Fayette County Amateur Radio Club and its members for allowing us to use the repeaters for this event.”

This is a directed NET. Please direct all traffic through net control. We will be using tactical call signs this evening.

The primary Net frequency will be the 442.500 repeater located in PTC. Operators should have a list of fallback repeaters and frequencies. This is <call sign>.

The event will start at approximately 6:30 pm.

We will begin the roll call at this time.

1. Jack Parks KO4WBM (NCS)
2. John Green N4FOR (Spot 2)
3. Brent Baxter KN4VAD (Spot 3)
4. Jim Farmer K4BSE (Spot 4)
5. Walter Jones Jr. KN4NQX (Spot 5)
6. Walter Jones Sr. KN4OUL (Spot 6)
7. John Snellen AI4RT (Water Station)
8. Ken Moore AI4UW (Spot 8)
9. Dave Cristie N5JEY (Director Shadow)

Announcements:

- We have about <count> people walking today . Walkers will be on the course at 6:30 p.m.
- There should be a SAG wagon to sweep the course following the last walker.
- Operators are free to secure their positions after the last walker passes.

This is <call sign>.

Event Start Time:

This is Net Control to all event stations – the event has started, and walkers are on the course. As a reminder, this is a directed NET. Please direct all traffic to Net control. <call sign>

Net Identification:

“This is **[call sign]**, Net Control for the **[specify event name]**. We thank the owners and supporters of the W4PSZ repeater for the use of the repeater for today’s event. We will be using the repeater until **[expected end time]** and appreciate the continued patience of the regular users.”

End of Event:

“This is **[call sign]** securing the special event net for the **[event name]** and returning the 442.500 repeater to normal use. We thank the owners and supporters of the repeater for the use of the repeater for today’s event and we thank the regular users for their patience and courtesy during the event. This is **[call sign]** clear.”

Appendix:

DEPLOYMENT PLAN

- All operators can self-deploy to their stations without coming to the church.
- Operators need to be at their assigned positions by **6:15 p.m.** for their radio checks with Net Control
- Walkers will be on the course at 6:30 p.m.

- Operators are free to secure their positions after the last walker passes
- There should be a sag-wagon to sweep the course following the last walker
